1 Overview

This User Manual gives a brief summary of all the available functions in the MyOzChase website.

Anyone who uses the MyOzChase application, must be a registered user and have a login to the website via a unique email address (and password).

1.1 Logging In

In order to log onto the MyOzChase site, you must have a unique email address that has been recorded in the OzChase system. Most racing participants (Owners, Trainers) will already be pre-registered to use MyOzChase, if they are licenced and have a unique email address.

If you are unsure about your registration status, call your Greyhound Racing State Authority to enquire about this.

To access MyOzChase, open a browser session (Chrome, Internet Explorer, etc.) and type: https://www.myozchase.com.au

This will open the MyOzChase website:

- 1. Click on the 'Login' button in the top right-hand corner or below the MyOzChase logo.
- 2. Enter your unique email address and your password on the login screen and click on the 'Login' button.

1.2 Forgotten Your Password?

If you have forgotten your password, then the 'Forgotten Your Password' button can be used on the Login Page:

E-mail Address	
E-mail Address

LOGIN	FORGOTTEN YOUR PASSWORD?

This will prompt you to enter your email address so that a notification email can be sent to you which contains a link to allow you to change your password.

Once submitted, a reset confirmation message will be displayed:

A check will be done to determine if a registered user exists with the specified email address. If found, an email will be sent to the nominated address.

Details in the email will include a link, which you will need to click in order to display the Reset Password screen:

Dear Mrs ,
A request has been made to reset the password for your MyOzChase account.
To complete the password reset go to this link:
If you did not request a password reset or do not wish to proceed just ignore this email.
Please do not reply to this email. If you have any questions please contact Racing and Wagering Western Australia on .
Sincerely,
The WA MyOzChase Administrator http://www.myozchase.com.au/

------------------	----

Click on the 'Login' button in the top right-hand corner of the screen to log in again with the **new password**.

Note: This password will need to be used with your Online Nominations account as well if you have one.

1.3 Identity Verification

If this is the **very first time** that you are logging into MyOzChase, then you **may** be required to verify your identity. When you attempt to log in on the MyOzChase website, you will be redirected to the 'Verify Identity' page.

Your details will be retrieved from the OzChase system and displayed on the screen:

MY@ZCHASE		HOME ABOUT MY APPLICATIONS CONTACT		
	Verify	Identity		
	In order to establish a trusted relationship between the MyOzChase system and Greyhound Racing participants, we must perform a once-off identity verification befor gain initial access to the site and the electronic transactions that will be offered. Please note that we will not store your Driver's Licence or Passport details provided during this identity verification process and any Driver's Licence details already sto OzChase by some Controlling Bodies will not be updated. - 1. Enter your driver's licence or passport number (if these details are not already populated on the screen).
- 2. Agree to the privacy policy and MyOzChase terms and conditions.
- 3. Click on the 'Verify' button to proceed.
- 4. You will see a message indicating that verification is in progress. Once your identity has been successfully verified, a message will indicate this and provide you with a link to log in to MyOzChase as a verified participant.
- 5. If your identity could not be successfully verified, you will receive an error message.

Δ Identity Verification Failed. Please contact your relevant State Controlling Body to ensure your personal details are up to date.

6. You can either correct your Driver's licence or passport details to try again or you will need to contact your relevant Greyhound Racing State Authority.

2 MyOzChase General Navigation

2.1 Homepage Tabs

There are a number of options available on the main landing page in MyOzChase:

- Home redisplays the landing home page
- Forms displays a list of Registration Forms that are available for the various State authorities. Initially, only WA will have forms available for downloading. Clicking on the other State names, will display a message that no forms are available.
- About provides a short introduction on the purpose and vision of the MyOzChase website.
- Get Involved provides more information on the various ways to be a part of the greyhound racing industry.
- Contact provides contact details for each State registered to use MyOzChase. If you are logged in, clicking the 'Contact' link will show only the contact details for the State that you're currently registered in.
- Help displays frequently asked questions.
- Login displays the login screen.

2.2 Mobile View

If you are accessing MyOzChase on a mobile device or Ipad, then the display of the landing page will show the menu options in the hamburger icon (\equiv):

Clicking on \equiv will display the options:

3 MyOzChase - Basic Functionality

Once you have logged in to the MyOzChase website, you'll be redirected to your dashboard:

The functions that are available on your dashboard will be dependent on the type of licence that you currently hold (eg. Owner, Trainer, no licence). The functions listed below will be explored in the next sections:

- My Profile Available to licenced and un-licensed users
- My Greyhounds
- Online Nominations (only available to users with a Trainer licence) Clicking on this link opens a new page which takes you to the OzChase Online Nominations site. This site allows Trainers to nominate their greyhounds into Race Meetings.
- My Applications
- Retire a Greyhound
- Name a Greyhound
- Submit Whelping Notice
- Change Greyhound Trainer/Kennel
- Transfer an Un-named Greyhound
- Transfer a Named Greyhound

3.1 My Profile

On the first tab of the 'My Profile' function, you are able to review and amend certain personal details stored on your account. If you require changes to other details not available through the 'My Profile' function, please contact your relevant State's Greyhound Racing Controlling Body.

3.2 My Greyhounds

If you are a licensed Greyhound Racing participant, the 'My Greyhounds' function allows you to view a list of all the greyhounds to which you have a current responsibility (excluding deceased greyhounds). This may be as the greyhound's Owner, Trainer or if the greyhound is kennelled on your property.

If there are more than 20 greyhounds in the list, then the search input will be automatically opened for you to enter a search criteria. Note there may be a wait while the system retrieves the full list of greyhounds immediately on entry to the screen:

Greyhound Name	Ear Brand
Greyhound Name	Ear Brand
Status	Responsibility Filter by association to Greyhound
	~
SHOW ALL Displaying 162 of 162 greyhounds.	Group Member Kennelled Trainer Custodian Group Manager
	Homed Owner

A full/partial greyhound name or a full/partial ear-brand value can be specified for the search. Note there is now no longer a Search button – the filtering of Greyhounds is dynamic and will occur immediately once characters are entered into the search fields. Alternatively, you can click on the 'Show All' button to display all your greyhounds.

A new addition to the search options is the ability to filter the greyhound list based upon the association you have to the greyhound. This 'Responsibility' contains filter values such as Trainer, Group Manager, Owner etc.

On this page you also have quick links to some of the actions available in the MyOzChase website, based on your access and/or licence type. For example, links for ownership transfers will only be available to individual or the Manager/Contact for a Group/Syndicate that owns the greyhound.

These actions are also available on your dashboard.

Clicking on these links from the My Greyhounds page, will take you to the specific function with the greyhound details already pre-selected.

The **Last Vaccinated Date** column was recently added and this represents the date your Greyhound received its last M12 (initial 12 month vaccine prior to Naming) or the latest AB (annual booster). The intent of the display is to inform you of the Greyhound's eligibility for racing with the date colour coded as follows:

Red = No Vaccination recorded, Vaccination Expired or Vaccinated within past 5 days.

Orange = Annual Booster is due soon.

No colour = Vaccination is current.

3.3 My Applications

You can view applications which you have submitted via MyOzChase by clicking on the 'My Applications' link in the top menu. You will also see those applications which have been lodged by another person, for a greyhound that you currently have ownership or custody (trainership) of.

3.3.1 Un-read Counter and Flag

If there are notifications awaiting viewing by you, then a counter indicating the number of un-read entries is displayed at the top of the pages (above the 'My Applications' menu item):

Clicking on the 'My Applications' link will display a list of all applications for you:

5 Change Trainer/Kennel

5.1 Submit Trainer Transfer

5.1.1 Select Greyhound

The "Change Greyhound Trainer/Kennel" option will take you to the online form for changing a greyhound's Trainer and/or kennel. This function can be used to transfer trainership and/or move a greyhound from one to another of **your kennel addresses**.

This form consists of a 3-step process. On the first tab, you will be required to select the relevant named or littered greyhound for the application.

A trainer transfer request can be initiated either by the current trainer or the new trainer. If you are the current trainer, then you will select the greyhound via the drop-down list. If you are the new trainer, then select a greyhound by entering a valid ear brand.

Once all the required fields have been completed on all three tabs and you have ticked the required privacy policy and terms and conditions agreement boxes, you will be able to click on the "Submit" button to lodge the application for confirmation by the other party and approval by the relevant Greyhound Racing Controlling Body. On clicking SUBMIT, you will receive a confirmation message which will include the transaction ID for your transfer request:

Notification of Trainer/Kennel Change					
Application Submitted Your trainer/kennel change application with transaction ID 819 has been successfully submitted and is awaiting confirmation from the new Trainer before progressing to the relevant Greyhound Racing Controlling Body for approval.					
VIEW APPLICATIONS CHANGE ANOTHER GREYHOUND'S TRAINER/KENNEL					

You can review the details of the transaction by viewing the application from the 'My Applications' area.

5.2 Confirm Trainer Transfer

Depending on who has lodged the Trainer change application, the other party (current or new Trainer) will receive an email requesting they confirm the trainer change application. Clicking on the link contained in the email will take you to the MyOzChase login page. Once you have logged in, you will be taken directly to the application details page where you can confirm the transfer.

If you did not log in using the email link, then you will need to access the 'My Applications' option and select (View) the application from the list.

If you are the relinquishing trainer confirming the transfer, then you will just need to click on the Confirm button.

If you are the **new trainer** confirming the transfer, then you have the option of selecting a new Kennel Address at this point:

6 Transfer Un-Named Greyhounds

Access to the Transfer Un-Named Greyhound function is via the My Greyhound List (from the links on that page) or from your dashboard:

6.1 Submit Owner Transfer

The process of transferring Un-Named and Named greyhounds is very similar. The main difference is that the Unnamed Transfer option, is for pups that are 'Littered' (not ready for racing yet). The Named Transfer option, as the name suggests, is for greyhounds that are already "Named" but can also be used for greyhounds that are "Retired for Breeding". Greyhounds retired for any other reason cannot be transferred using this function.

6.1.1 Selecting a Greyhound

In the same way as the Trainer Transfer is done, an Ownership Transfer also comprises 3 tabs, the first of which is the greyhound selection tab.

The greyhound can be selected either from a drop-down list, which shows all your greyhounds (if you are selling the greyhound), or by entering a valid ear-brand (if you're purchasing the greyhound).

If you have entered this function from the My Greyhounds List (via the link), then the page will be auto-filled with the details of the greyhound that you selected on that screen.

Once selected, the details of the greyhound will be displayed. If the details are correct and there are no errors, you can click on the declaration and progress to the NEXT tab.

Possible Errors:

MyOzChase will verify that the current owner of the greyhound (individual or members of a group) are registered users.

This check is required since (in some States), members of the Selling Group/Syndicate must confirm the sale prior to the transfer being approved by the State Authority (the same validation applies to the Purchaser if a Group/Syndicate is involved).

The mechanism for obtaining each members approval, is for MyOzChase to send a confirmation email, which then requires the group member to log into MyOzChase and confirm the sale.

If any individual (or member of either a Selling or Purchasing group/syndicate) is not a registered MyOzChase user, then the following (or similar) message will be displayed.

Seller Message:

Purchaser Message:

One or more of the Purchasers of the selected greyhound are not registered users of MyOzChase. Please contact the following owners to request registration or submit a paper-based ownership transfer application for the particular greyhound: Mr San

If the greyhound selected is currently owned by a person/group in NSW, VIC, QLD or New Zealand, then multiple error messages may be displayed:

6.1.2 Change Ownership

If you are the current owner of the selected greyhound (as sole owner or manager/contact of the Group/Syndicate), then the system will prompt you to supply the purchaser details. You will need to enter the purchaser's first name, last name **and** email address if you are selling the greyhound to "Someone else":

NOTE: If you are selling the greyhound to a Group or Syndicate, then the name entered above must be the name of the **Contact Person** (Ownership Group) or **Manager** (Syndicate).

The system will validate the new owner details (as already outlined in the Change Trainer/Kennel section). If either the Seller or Purchaser of the greyhound is an Ownership Group or Syndicate ('group'), then all members of the group must be:

- A registered MyOzChase user (with a unique email address)
- A currently licenced 'Owner' (only applies to the purchaser)

If you currently own the greyhound, then you also have the option of buying the greyhound yourself, by clicking the 'myself' button. The only instances where you can use this option is:

- As a sole owner buying from the group (that you manage) that currently owns the greyhound.
- As the manager of a group buying from yourself as the sole owner of the greyhound.
- As the manager of another group buying from the group (that you also manage) that currently owns the greyhound.

If you are purchasing the greyhound, then the Change Ownership screen will have your details as the New Owner and will allow you to select if you are purchasing the greyhound as an individual or as a group:

Three options are available on this tab:

- 1) No (default) Leave the greyhound at its current kennel address.
- 2) Yes Change the kennel address to the **new owner**. Should only be selected if the greyhound is moving from its current location to the new owner's kennels.
- 3) Someone Else Indicates that the greyhound is moving location but it is being kennelled with someone else (eg. with a Breeder etc). This person should be contacted to lodge a Kennel Notification. The greyhound will remain at its current location until a new Kennel Notification is processed. The option to select 'Someone Else' should only be done when a 3rd party is kennelling the greyhound at their premises. [Note: The Seller or Purchaser cannot nominate another person's address].

If 'Yes' is selected, then a new address will need to be selected by the **Purchaser.** If you're just the Seller, then you cannot select the new address. The following message will be displayed:

6.2 Confirm Owner Transfer

Depending on who has lodged the Owner Transfer application, the other parties will be required to confirm the application before it goes to the State Controlling Authority for approval.

Who must confirm the transfer?

- If you are selling your greyhound and **you're not the person who submitted the transfer application**, then you will receive an email requesting you to confirm the transfer.
- If you are purchasing a greyhound and **you're not the person who submitted the transfer application**, then you will need to confirm the transfer.
- If you are a member of an Ownership Group selling or purchasing the greyhound, then you will be required to confirm the transfer.
- If you are a member of a Syndicate selling the greyhound, then you will be required to confirm the transfer.

If you are confirming the transfer as the seller or a member of the purchasing group, then you will only need to click the 'Confirm' button.

If you are confirming the transfer as the purchaser (individual or contact/ manager of the purchasing group/syndicate), then you will need to specify if you are purchasing the greyhound as a group and if there is a change to the greyhound's location.

7 Transfer Named Greyhounds

The process of transferring a Named greyhound is very similar to transferring Un-Named greyhounds. Access to this function is via the 'My Greyhounds' list or your dashboard.

The only differences with a Named transfer, is that:

- The **Seller** must answer some questions relating to the greyhound's health and penalty history.
- The **Purchaser** must pay for the transfer.
- The Purchaser must reside in WA. (Transfers outside of WA are currently not catered for)

7.1 Seller Questions

These questions would need to be answered either on the Select Greyhound page when submitting the transfer request (if the Seller is lodging the transfer application) or on the Confirmation screen.
